Hi everyone. Thought I'd send a quick note to let you know it appears that the Notice of Intent to Delete for VB/I-70 OU1, residential soils, will be published in the Federal Register tomorrow, kicking off a 30-day public comment period. We're issuing a public notice in the Denver Post and a Spanish Public Notice in El Semanario. Not sure yet if those will appear tomorrow or the next day. We're also sending out a press release and updating our website, both tomorrow. I will be alerting the CAG and our stakeholder list tomorrow as well. Just wanted to let you know a bit in advance.

Thanks,  
-jc
